May 22th from 16:30 to May 25th at 12:00

9 invited lectures and
25 oral contributions from participants

Lecturers:

➤ **Dr. Andrea Ciccioli**

(Sapienza University of Rome, Italy)

➤ **Prof. Bruno Pagano**

(University of Naples «Federico II», Italy)

➤ **Prof. Lev S. Kudin**

(Ivanovo State University of Chemistry & Technology, Russia)

➤ **Prof. Wojciech Marczak**

(University of Częstochowa, Poland)

➤ **Dr. Timur Mukhametzhanov**

(Kazan Federal University, Russia)

➤ **Prof. Johan Jacquemin**

(University of Tours, France)

Dr. Vera L.S. Freitas

(University of Porto, Portugal)

➤ **Dr. Ksenia V. Zherikova**

(Institute of Inorganic Chemistry,
Russian Academy of Sciences, Novosibirsk)

➤ **Prof. Sergey P. Verevkin**

(University of Rostock, Germany)

Accommodation: Cheap accommodation for participants at the B&B Convento Laurino and further B&B facilities in Laurino

Transportation: to fly to Rome and take the Leonardo Express, or fly to Naples. From both railway stations an Intercity Train to "Vallo della Lucania", which is 40 minutes far from Laurino by car.
